Title Fee Calculator

Is your client asking for a quick estimate of title rates and fees? If so, let First American's intuitive rate calculator be your guide. The simple-to-use design allows you to get the title rate information you need - when you need it.

- Get accurate information on title rates, endorsement fees, closing costs, recording fees, and transfer taxes.
- Generate Good Faith Estimate quotes (including HUD line item information).
- Get information easily with pre-selected owner/lender policies and rate types, based on those most commonly used, purpose of transaction, and property state.

Faster rates. Fewer clicks. It just adds up.
